

2009 AANEM ANNUAL MEETING CME SUBMISSION FORM

Please complete the CME form and submit along with \$25 to the AANEM. The number of CME credit available for each session is indicated in the CME Possible column. Enter the number of CME you are claiming per session. You should only claim credit commensurate with the extent of your participation in the activity. If you attended sessions that overlapped, do not declare all CME possible for both sessions. The AANEM will provide you a CME letter stating the total CME that you have earned from the AANEM meeting. The total includes the number above plus any ticketed sessions that you attended.
