

The American Neuromuscular Foundation (ANF) is the official foundation of the AANEM. The ANF supports and advances research and education through research grants and awards, with the goal of STRENGTHENING the global effort to CURE neuromuscular diseases.

ANF appreciates every donation and looks forward to seeing the caring community of donors grow. These contributions are generous, impactful, and play a vital role in empowering researchers to pursue breakthroughs in NMD treatments and ultimately enhance patient care.

(Contributions listed were received between Aug. 1, 2023– July 31, 2024.)

Titanium \$10,000 +

The Estate of Patricia S. Cook, MD

Platinum \$2,500 - \$9,999

Jitendra Baruah, MD

Holli Horak, MD

Perry Richardson, MD

Gold \$1,000 - \$2,499

Samuel Bierner, MD

Michael Cartwright, MD

Anthony Chiodo, MD

Laura Corrigan, MD
