BREAKFAST FORUM | 6:45 am-8:00 am

Location: Grand Ballroom

Ideate, Investigate, Integrate: A Case-Based Discussion About a Treatment Option for gMG Patients

Sponsored By: Johnson & Johnson

Website: www.jnj.com/innovative-medicine

LUNCH FORUM | 11:30 am-12:45 pm

Location: Floridian Ballroom J-L

LGMD2I/R9 – Diagnostic challenges and novel therapeutic approaches

Sponsored By: BridgeBio

Website: <https://bridgebio.com/>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Grand Ballroom

Community Perspectives on Meaningful Functional Improvement in Duchenne Muscular Dystrophy

Sponsored By: Dyne Therapeutics

Website: <https://www.dyne-tx.com/>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Central Park Ballroom

Investigating the Therapeutic Potential of Targeting FcRn- and Complement Mediated Pathways in Autoimmune Diseases

Sponsored By: argenx

Website: <https://argenx.com/>

2026 Annual Meeting Industry Forums

Wednesday, September 30

BREAKFAST FORUM | 6:45 am-8:00 am

Location: Floridian Ballroom J-L

Expanding Possibilities in gMG Management: Clinical Efficacy and Durability, Established Safety Profile, and Twice-yearly Dosing

Sponsored By: Amgen

Website: <https://www.amgen.com/>

BREAKFAST FORUM | 6:45 am-8:00 am

Location: Grand Ballroom

Clinical Perspectives on HDAC Inhibition in Duchenne Muscular Dystrophy

Sponsored By: ITF Therapeutics

Website: <https://itftherapeutics.com/>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Floridian Ballroom J-L

Complement Inhibition for Patients With Anti-AChR Ab+ Generalized Myasthenia Gravis (gMG)

Sponsored By: UCB, Inc.

Website: <https://www.ucb.com/>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Grand Ballroom

How I Treat CIDP: Beyond Demyelination—Axonal Protection is an Aim

Sponsored By: Grifols USA, LLC

Website: <https://www.grifols.com/en/home>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Central Park Ballroom

Redefining gMG Management: FcRn Antagonists and the New Era of Precision Neurology

Sponsored By: Global Learning Collaborative

Independent Educational Grant provided by: Johnson & Johnson

Website: <https://provaeducation.com/live-events/redefining-gmg-management-fcrn-antagonists-and-the-new-era-of-precision-neurology/45567/>

2026 Annual Meeting Industry Forums

Thursday, October 1

BREAKFAST FORUM | 6:45 am-8:00 am

Location: Floridian Ballroom J-L

Evolving the SMA Treatment Paradigm Through Muscle-Targeted Therapy

Sponsored By: Scholar Rock

Website: <https://scholarrock.com/>

BREAKFAST FORUM | 6:45 am-8:00 am

Location: Grand Ballroom

Introduction to AMVUTTRA® (vutrisiran)

Sponsored By: Alnylam Pharmaceuticals

Website: <https://www.alnylam.com/>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Floridian Ballroom J-L

Emerging Strategies in the Management of Generalized Myasthenia Gravis: B-Cell Regulation via BAFF/APRIL Inhibition

Sponsored By: Vor Biopharma

Website: <https://www.vorbio.com/>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Grand Ballroom

Who Wants to be a CIDP Expert?

Sponsored By: CSL Behring

Website: <https://medicalaffairs.cslbehring.com/diseases-and-conditions/neurology/education-materials>

LUNCH FORUM | 11:30 am-12:45 pm

Location: Central Park Ballroom

Efficacy Data, Meningococcal Vaccination Planning, and Real-World Management Experiences with a Complement Inhibitor for Adults with Anti-AChR Antibody-Positive gMG

Sponsored By: Alexion, AstraZeneca Rare Disease

Website: <https://alexion.com/>

2026 Annual Meeting Industry Forums

Friday, October 2

BREAKFAST FORUM | 6:45 am-8:00 am

Location: Floridian Ballroom J-L

Exploring Neuromuscular Diseases: A Case-Based Approach to Immune Modulation

Sponsored By: Octapharma

Website:

<https://sciencehub.octapharma.com/events/headquarters/immunotherapy/2026/aanem/octapharma-industry-forum>

BREAKFAST FORUM | 6:45 am-8:00 am

Location: Grand Ballroom

Improving Outcomes with Targeted FcRN Receptor Inhibition for the Full Spectrum of Patients with gMG

Sponsored By: AcademicCME

Independent Educational Grant provided by: argenx

Website: <https://academiccme.com/aanem2026gmg2/>
