

Prior to completing the Request for Electrodiagnostic Laboratory Accreditation Application online, you will first need to gather information that may require some data collection. The following **Information Gathering Worksheets** are intended to help with data collection. The worksheets are not for submission to the AANEM and should only be used to complete the online Request for Application.

The following information will be required to complete the Request for Electrodiagnostic Laboratory Accreditation Application. Please review the list and compile the information prior to starting the request.

1. Name and training information for all physicians other than the LMD, responsible for interpreting EDX studies in the laboratory. *Please refer to the Physician Worksheet.*
2. Name of each technologist, physical therapist, or other staff member performing electrodiagnostic studies in the laboratory. *Please refer to the the Physical Therapist, Technologist, and Other Staff Member Worksheets.*
3. Contact information for each satellite laboratory.

Laboratory Medical Director (LMD) Worksheet

Name _____
First Last
