# UltraEMG

## PLANNING GUIDE

San Diego, California | March 13 - 16, 2024

# UltraEMG

The 2024 UltraEMG will be held March 13 to 16, 2024 in San Diego, California, at the Hilton San Diego Gaslamp Quarter. Participants will enhance their knowledge of ultrasound and EMG at this exceptional event.

Expert faculty will be led by Course Director, Jeffrey A. Strakowski, MD, and include Katharine Alter, MD; Michael Cartwright, MD; Albert Clairmont, MD; Lawrence R. Robinson, MD; Devon I. Rubin, MD; Erik V. Stålberg, MD, PhD; Francis O. Walker, MD; and Lisa D. Hobson-Webb, MD.

“

UltraEMG has fantastic faculty that work in a close setting with attendees. There is a lot of hands-on learning, and the faculty are always open to discussing questions and working through difficult scenarios. Attending the meeting is a great resource for those in practice, or about to start their practice, because it is very practical and provides approaches for real-life frequently encountered cases.

”

Michael Cartwright, MD

2024 UltraEMG faculty member & ABEM NMUS CAQ Examination Committee Chair

*schedule and program are subject to change*

# Wednesday, March 13, 2024

## Catalina and Loft Foyer

7:00 Buffet Breakfast

## Gaslamp Ballroom

8:00 Welcome and Introductions | *Jeffrey A. Strakowski, MD*

## Gaslamp Ballroom

8:15 Introduction to US: Instrumentation, Tissue Recognition, and Image Optimization  
*Michael S. Cartwright, MD*

9:15 Electrophysiology Instrumentation and the Use of Reference Values  
*Lawrence R. Robinson, MD*

## Santa Rosa

8:15 Principles of Chemodenervation  
*Albert Clairmont, MD*

9:15 Workshop: Clinical Approach to NMUS  
*Francis O. Walker, MD*

## Catalina and Loft Foyer

10:15 Break and Exhibits

## Gaslamp Ballroom

10:30 Case Presentations, Group Discussion, and Q&A | *All Faculty*

11:30 Lunch Break and Exhibits

## Gaslamp Ballroom

1:00 Practice Sessions (EDX, US, Chemodenervation)

2:30 NMUS in Generalized Peripheral Neuropathies  
*Lisa D. Hobson-Webb, MD*

## Santa Rosa

1:00 Practice Sessions (EDX, US, Chemodenervation)

2:30 Commonly Used NCSs  
*Lawrence R. Robinson, MD*

## Catalina and Loft Foyer

3:15 Break and Exhibits

## Gaslamp Ballroom

3:45 Utilizing NMUS as an Extension of the EDX Evaluation | *Jeffrey A. Strakowski, MD*

4:30 Customizing Reports for Your Referring Physician | *Lawrence R. Robinson, MD & Michael S. Cartwright, MD*

## Catalina and Loft Foyer

5:30 Welcome Reception

# Thursday, March 14, 2024

## Catalina and Loft Foyer

7:00 Buffet Breakfast

## Gaslamp Ballroom

8:00 Welcome and Introductions | *Jeffrey A. Strakowski, MD*

8:10 Live US Demonstration: Brachial Plexus | *Jeffrey A. Strakowski, MD*

## Gaslamp Ballroom

8:30 EDX of Neuralgic Amyotrophy  
*Devon I. Rubin, MD*

9:15 NMUS of Nuralgic Amyotrophy  
*Lisa D. Hobson-Webb, MD*

## Santa Rosa

8:30 Workshop: US Guided Chemodenervation  
Head and Neck  
*Katharine E. Alter, MD*

9:15 Workshop: Fundamentals of Spasticity,  
Cervical Dystonia and TOS  
*Albert Clairmont, MD*

## Catalina and Loft Foyer

10:15 Break and Exhibits

## Gaslamp Ballroom

10:30 Case Presentations, Group Discussion, and Q&A | *All Faculty*

11:30 Lunch Break and Exhibits

## Gaslamp Ballroom

1:00 Practice Sessions (EDX, US,  
Chemodenervation)

2:30 EDX for Pre-surgical Evaluation Including  
PN in SCI  
*Lawrence R. Robinson, MD*

3:15 US Evaluation in Children  
*Michael S. Cartwright, MD*

## Santa Rosa

1:00 Practice Sessions (EDX, US,  
Chemodenervation)

2:30 US of Muscle  
*Francis O. Walker, MD*

3:15 EDX Approach to Peripheral Neuropathies  
*Devon I. Rubin, MD*

## Catalina and Loft Foyer

4:00 Break and Exhibits

## Gaslamp Ballroom

4:30 EMG Waveform Examination/Millionaire  
EMGer  
*Devon I. Rubin, MD*

## Santa Rosa

4:30 US in Motor Neuron Disease  
*Francis O. Walker, MD*

## Friday, March 15, 2024

### Catalina and Loft Foyer

7:00 Buffet Breakfast

### Gaslamp Ballroom

8:00 Welcome and Introductions | *Jeffrey A. Strakowski, MD*

8:10 Live US Demonstration: Nerve of the Upper Limb | *Jeffrey A. Strakowski, MD*

### Gaslamp Ballroom

9:00 Live US Demonstration: MSK Upper Limb  
*Jeffrey A. Strakowski, MD*

### Santa Rosa

9:00 EDX Assessment of NMJ Disorders  
*Devon I. Rubin, MD*

### Catalina and Loft Foyer

9:45 Break and Exhibits

### Gaslamp Ballroom

10:00 EDX of Median and Ulnar Nerves  
*Lawrence R. Robinson, MD*

### Santa Rosa

10:00 US for Unusual UE Focal Neuropathies  
*Michael S. Cartwright, MD*

### Gaslamp Ballroom

10:30 Did You Think of This? Interactive EDX Sessions | *Erik V. Stålberg, MD, PhD*

11:30 Lunch Break

### Gaslamp Ballroom

1:00 Practice Sessions (EDX, US, Chemodenervation)

2:30 US Evaluation of Post-Operative CTS - Part 1  
*Jeffrey A. Strakowski, MD*

3:15 US Evaluation of Post-Operative CTS - Part 2  
*Jeffrey A. Strakowski, MD*

### Santa Rosa

1:00 Practice Sessions (EDX, US, Chemodenervation)

2:30 Workshop: Advanced Nerve Conduction Studies  
*Lawrence R. Robinson, MD*

3:15 US for UE Chemodenervation  
*Katharine E. Alter, MD*

### Catalina and Loft Foyer

4:00 Break and Exhibits

### Gaslamp Ballroom

4:30 NMUS: Past and Current Applications and Future Directions | *Francis O. Walker, MD*

# Saturday, March 16, 2024

## Catalina and Loft Foyer

7:00 Buffet Breakfast

## Gaslamp Ballroom

8:00 Welcome and Introductions | *Jeffrey A. Strakowski, MD*

8:10 Live US Demonstration: Nerve of the Lower Limb | *Jeffrey A. Strakowski, MD*

## Gaslamp Ballroom

8:45 Live Demonstration MSK US Lower Limb  
*Jeffrey A. Strakowski, MD*

## Santa Rosa

8:45 Chemodenervation Cases  
*Albert Clairmont, MD*

## Catalina and Loft Foyer

9:30 Break and Exhibits

## Gaslamp Ballroom

9:45 EDX of Myopathies  
*Devon I. Rubin, MD*

10:30 US of Myopathies  
*Francis O. Walker, MD*

## Santa Rosa

9:45 US for Lower Limb Chemodenervation  
*Katharine E. Alter, MD*

10:30 NM Complications and EDX for  
Compartment Syndrome  
*Lawrence R. Robinson, MD*

## Gaslamp Ballroom

11:15 Break and Exhibits

11:45 Lunch Break

## Gaslamp Ballroom

1:00 Practice Sessions (EDX, US,  
Chemodenervation)

2:30 Pitfalls of EDX  
*Devon I. Rubin, MD*

3:15 Pitfalls of NMUS  
*Lisa D. Hobson-Webb, MD*

## Santa Rosa

1:00 Practice Sessions (EDX, US,  
Chemodenervation)

2:30 Challenging LE Nerves with NMUS  
*Michael S. Cartwright, MD*

3:15 Workshop: NCSs “Free-for-All”  
*Lawrence R. Robinson, MD*

## Catalina and Loft Foyer

4:00 Break and Exhibits

## Gaslamp Ballroom

4:30 Final Q & A and Practice Time - *All Faculty*

# SAVE THE DATE

AANEM Annual Meeting

Savannah, Georgia | October 15 - 18, 2024
